A Sizzling Success

Three of our Glenfield College Satellite business students, Zak, Natalie, and Kim, had the opportunity to visit the new Abilities site, just a month after the devastating fire. We were warmly welcomed by Karla and Akenese, who shared how the team has been recovering and rebuilding after the fire. It was heartening to see the warehouse buzzing with activity and workers enthusiastically engaged in new projects.

Friendly waves and smiles from the staff made us feel right at home.

As part of our visit, we were proud to present a donation of \$720 cash, raised through our sausage sizzle, cake sale, and

generous whānau contributions. Akenese said, "Our team is very appreciative and thankful for the Glenfield College Satellite Class's generous donation. Thank you once again to the school and students."

On the drive back to school, we could not stop smiling. We were filled with joy from the experience of helping others. Students shared their feelings - 'It just feels so good', 'I feel proud of myself', and 'Let's do it again'

Thanks to Slo Natural Beauty for their generous donation of 100 deodorant sticks which we have distributed amongst our senior and transition classes. Slonaturals.co.nz range includes deodorants, lip balm, stick moisturisers, dry shampoo, hair clay and tooth tablets

Despite the rainy weather, our annual Jumping June event on the 4th of June was a great success, with students showing incredible enthusiasm and raising an impressive \$1510 for the Heart Foundation – a truly worthy cause. A special mention goes to Jesse in GPS, who raised an outstanding \$1125 and will soon be choosing from an exciting range of gifts, including a bike, electronic piano keyboard or Nintendo Switch. Students will be able to claim their rewards (worth 35% of the amount raised) next month – watch this space to see what Jesse picks!
