A MESSAGE FROM OUR PRINCIPAL

Natalie Todd

Welcome to Term 4!

We hope you have had a restful break and are ready for the exciting term ahead. Let us focus on making the most of every learning experience and make the most of these final weeks celebrating the progress we have made. Here's to a fantastic and memorable Term 4!

Whangaparaoa 2

The students from WGP 2 thoroughly enjoyed sailing on the Waitemata Harbour. Judging by their smiles and excitement, it was clear that this was one of their favourite learning experiences. Even on days when the wind was not strong enough for sailing, their enthusiasm didn't wane. Instead, they eagerly hopped onto the chase boats to study the course they would be navigating. This hands-on approach allowed them to familiarise themselves with the surroundings,

ensuring they were well-prepared for when the wind picked up again. It was great to see the high level of participation, engagement and teamwork as the students collaborated, shared ideas and supported each other throughout the experience. The combination of practical skills, problem-solving and fun made it a memorable and valuable learning opportunity.

Week 1, Term 4, 2024

GIS Hub Rock the Lip Sync Competition

Our students had the opportunity to enter the Glenfield Intermediate Lip Sync Competition. Their ability to meet challenges and thrive in all situations continues to make us proud. Their positive attitudes inspire us and their personality traits are not only admirable but also

show great strength. It is evident that our students had lots of fun and the event was enjoyed by everyone.

Whangaparaoa Hub Art exhibit

Whangaparaoa Hub recently contributed some of their incredible artwork to an art exhibition held at the College and I couldn't be prouder of the stunning work our students continue to produce. Their creativity never ceases to amaze me, as each piece on display reflected their unique vision and artistic skill. From vibrant paintings to intricate mixed media, the range of talent was truly

inspiring. The exhibition offered a fantastic opportunity for students to showcase their hard work and artistic expression to a wider audience, highlighting the importance of art and creativity in our curriculum. It highlights the importance of nurturing talent and foster an environment where students can successfully explore their artistic potential.
